

Warrior Athletics

Spirit Christian Academy offers several opportunities for homeschooled athletes to be on competitive athletic teams. We are members of the California Homeschool Sports League (californiahomeschoolsports.com) and have teams that compete in the following sports:

Fall Season

Boys and Girls Volleyball
Coed Cross Country
8-man Tackle Football (boys only, ages 13+)

Winter Season

Boys Basketball
Girls Basketball

Spring Season

Boys Baseball
Girls Softball
Coed Track & Field
Boys and Girls Soccer

Homeschooled athletes in grades 7 and up are eligible to participate in the various opportunities (except baseball, football and soccer which start at grade 9).

Homeschooled athletes do not need to be students at Spirit Academy to participate in our sports programs. They do need to be homeschooled at least 51% of the time and be 18 years old or younger by September 1 of the calendar year and have not participated in a matriculation from high school. We draw athletes from all over Orange County and even have a couple of participants who live in Los Angeles County.

Our teams compete in league play in the season of sport and have been improving steadily through the years. Our most successful program has been our Girls Varsity Basketball team that has been in the state final and ranked in the top 25 nationally for 6 of the past 7 seasons. Were we able to compete in season with CIF teams, this team would be competitive with programs in the 4A division as we have played those teams off season and have done well against them. While not all of our programs are at that level, we would be competitive across the board in the 5AA division of CIF. Considering that the CIF division 5 schools have 499 students or less, with our high school census well below 100, we are doing well to compete against these teams.

If you have further questions regarding the opportunities available, please contact John Simons at athletics@spiritacademy.org
