Annual Days of Apportionment

Trimester 1 total ____

This agreement will be in effect during the **2020-2021** school year. Course objectives will be consistent with the guidelines established in the PACIFIC COAST HIGH SCHOOL (PCHS) Course Catalog for high school independent study. A course syllabus will be provided for every course. Each course syllabus includes: course objectives, study methods, resources supplied, manner and frequency of assignments, method of evaluation guidelines, and teacher contact information specific to each course. Students will be provided with teacher support services, curriculum, and related instructional material. PCHS does not provide anything of value that is not provided for all students enrolled in similar public schools. Students with an active IEP (Individualized Educational Plan) may not enroll with PCHS unless their IEP specifically provides for enrollment in independent study.

A Course Syllabus will be provided for every course and include objectives, resources supplied, and teacher contact information specific to each course, as well as:

Manner, Time, and Frequency of Appointments

Each course syllabus will outline the weekly assignment and contact expectations. As a condition of continued enrollment, students are required to have weekly contact/assignments with their teachers on or before the assignment due dates. More frequent contact may be required as necessary to support student success. Refer to PCHS Trimester 1 calendar for Trimester 1 hours. The manner of submitting work or contact: one to one, small group, drop off, classroom, presentation, phone with instructor, e-mail, online, U. S. Mail, fax, or other pre-approved means as required in course syllabi.

Method of Study: Every course syllabus outlines the study expectations for the course. The syllabus will include course objectives and expectations, due dates, grading policy, teacher contact information, academic support, and other information necessary for student success in the course.

Subsidiary Agreement(s) are considered a part of this agreement: course syllabi, course catalog, add/drop forms, course instructor signature page and student registration forms.

Student and Parent:

- Student/parent understands that this enrollment is for a period of one trimester.
- Student/parent understands continued enrollment will be based on the determination of appropriate placement.
- Students enrolled with PCHS may not be enrolled as a student in any other public school <u>during this contract time period</u>. However, private, part-time, tutorial, or supplemental enrichment classes are permissible.
- All students enrolling in PACIFIC COAST HIGH SCHOOL have the option of classroom instruction in the County Community Schools or their home district. Enrollment is continuously voluntary.
- Independent Study is an optional educational alternative that students voluntarily select, including expelled students (Ed Code 48915) and/or students whose expulsion has been suspended (Ed Code 48917).
- When a student misses a percentage of assignments that equate to four or more days of missed attendance, the faculty advisor will complete a written evaluation to determine if the student should remain in this program. Academic and attendance credit will be lowered for incomplete, late, and/or partial assignments. (Attendance is based on assignment completion for Independent Study).

Parent's agreement

- I grant permission for the named student to enroll in independent study, an optional alternative educational program offered by the Orange County Department of Education: PACIFIC COAST HIGH SCHOOL.
- I agree to work closely with the teacher(s) on implementation and evaluation of the assignments for my student. I may also utilize a tutor to help with this role. If a tutor is utilized, the tutor must also sign this agreement.
- The parent/or tutor agrees to provide assistance and support, and is required to check for completion and quality of assigned work on a regular basis and to check the student's progress and current grade status online as described in the course syllabus.
- Any work turned in or postmarked after 3:00 p.m. on due dates will be marked late.
- I understand that I have the right to review my student's progress in the program and disenroll at any time.
- All materials are the property of the Orange County Department of Education and must be returned to PCHS upon termination. Parents agree to pay for any lost, damaged, or unreturned materials.
- I understand that I am responsible for checking my student's progress and current grade status online as described in the course syllabus.
- Parents and students agree to support the rules and regulations of PCHS.

Student's agreement

- I will be in contact with PCHS teachers regularly according to the frequency, date, time, manner, and location specified in the course syllabi or as required by my teacher(s).
- Maximum assignment period is one month. I agree to provide all assignments and materials on the date they are due. With prior approval, and when circumstances justify, the supervising teacher may extend the maximum length of an assignment period.
- Credit will be given only after I complete all of my assigned work and it has been evaluated by the teacher and deemed satisfactory.
- I am responsible for the information and materials presented during a missed class.
- I understand that I am responsible for checking my progress and current grade status online as described in the course syllabus.

I have read all pages of this agreement and hereby agree to all the conditions set forth within, including those in the subsidiary forms.
