Each course syllabus includes: course objectives, study methods, resources supplied, manner and frequency of assignments, method of evaluation guidelines, and teacher contact information specific to each course. Students will be provided with teacher support services, curriculum, and related instructional material. PCHS does not provide anything of value that is not provided for all students enrolled in similar public schools. Students with an active IEP (Individualized Educational Plan) may not enroll with PCHS unless their IEP specifically provides for enrollment in independent study.

**A Course Syllabus** will be provided for every course and include objectives, resources supplied, and teacher contact information specific to each course, as well as:

#### Manner, Time, and Frequency of Appointments

Each course syllabus will outline the weekly assignment and contact expectations. As a condition of continued enrollment, students are required to have weekly contact/assignments with their teachers on or before the assignment due dates. More frequent contact may be required as necessary to support student success. Refer to PCHS Trimester 1 calendar for Trimester 1 hours. **Method of Study:** Every course syllabus outlines the study expectations for the course. The syllabus will include course objectives and expectations, due dates, grading policy, teacher contact information, academic support, and other information necessary for student success in the course.

**Subsidiary Agreement(s) are considered a part of this agreement:** course syllabi, course catalog, add/drop forms, course instructor signature page and student registration forms.

### **Student and Parent:**

- Student/parent understands that this enrollment is for a period of one trimester.
- Student/parent understands continued enrollment will be based on the determination of appropriate placement.
- Students enrolled with PCHS may not be enrolled as a student in any other public school <u>during this contract time period</u>. However, private, part-time, tutorial, or supplemental enrichment classes are permissible.
- All students enrolling in PACIFIC COAST HIGH SCHOOL have the option of classroom instruction in the County Community Schools or their home district. Enrollment is continuously voluntary.
- Independent Study is an optional educational alternative that students voluntarily select, including expelled students (Ed Code 48915) and/or students whose expulsion has been suspended (Ed Code 48917).
- When a student misses a percentage of assignments that equate to four or more days of missed attendance, the faculty advisor will complete a written evaluation to determine if the student should remain in this program. Academic and attendance credit will be lowered for incomplete, late, and/or partial assignments. (Attendance is based on assignment completion for Independent Study).
