

The Benefits of Applying for the California Scholarship Federation

Why? CSF acknowledges your academic achievement, looks great on college applications, and may open the door for scholarship opportunities.

Extra Perks? If you get Sealbearer Status (membership for 4 of your last 6 semesters – 3 semesters for students graduating as juniors, and at least 1 semester of your final year for all), you receive a special seal on your diploma, an indication of Sealbearer Status on your transcript, and a gold cord at graduation.

Does it take much time or effort? Nope. You’re already doing the work by getting good grades.

Do you qualify? First, you must be at least a second semester freshman. Second, using the preceding fall/spring semester’s report card, the computations below, and the following lists, figure out if you have 10 CSF points. If so, you qualify! Complete an application and turn it in through the link below. If you don’t have 10 CSF points, no worries – there’s always next semester. **This is a semester-to-semester membership, so members must reapply each semester.**

What now? If you think you qualify, complete the following application and upload it to the link below by the posted date. As per the application instructions, include a copy of your report card to your application. Please contact us if you have any questions. ****Fall semester 2022: Students must complete the [CSF Student Information form](https://bit.ly/3pUqkOh). ** (https://bit.ly/3pUqkOh)**

Computations: These computations are based on your report card from the previous fall or spring semester; **please attach a copy of your Spring 2022 report card to your application.**

A. To qualify for CSF membership this semester, follow these guidelines:

1. You must earn *a minimum of 10 points* from last semester's grades.
 - a. The first *4 points* must be from LIST I (unless you are a senior applying for membership in February or June).
 - b. The first *7 points* (including the four points described in a) must be from LISTS I and II.
 - c. The remaining points may come from any LIST (I, II or III).
2. You must use *no more than 5 courses* to qualify.
3. *NO CSF* points are given for physical education, courses taken in lieu of physical education, subjects repeated to improve a grade, courses involving clerking or being an office/teaching assistant, and courses taken on a pass/fail basis.
4. CSF points are granted as follows:

Points for 10 credit classes:	Points for 5 credit classes:	Points for 2.5 credit classes:
A=6 B=2 C=0	A=3 B=1 C=0	A=1.5 B=0.5 C=0

Notes:

- A grade of D or F in any course, even in one you cannot use to qualify, disqualifies you from membership at this time.
- College courses count.
- Summer courses do not count.
