Pacific Coast High School (PCHS)

ACCESS - Community School Referral Guide

To apply to join PCHS, your home district of residence's student services division must electronically submit a [Community School Referral](#) form on your behalf.

What You Need to Do:

1. Contact your District of Residence in person, on the phone, or via email.
2. Let the Student Services Department know that you are interested in enrolling your student at PCHS and that you are requesting the district to submit an Online Community School Referral on behalf of your student(s).

Providing the below list of information and documentation can help expedite the referral process. For some of the below documentation, your current school counselor or administrator may be able to assist:
